

Cephalon EEG / EMG Course

Invitation to Neurology technical trainings in EEG and EMG. Week 39.

Cephalon is happy to announce that there will be neurology technical trainings in our EEG and EMG systems. See list of trainings below.

All courses are held simultaneously in Aalborg, Denmark from Tuesday September 26th at 13:00 to Friday September 29th at 12:00.

Training sessions will be in English.

Travel/hotel expenses will not be covered by Cephalon. We will however prepay the hotel and invoice the participants along with the training course fee. Hotel price is estimated to DKK 995/EUR134 per night.

During these days there will also be social activities that allows you to exchange experiences with your Nordic colleagues.

Hotel info:

Training and accommodation will be at a hotel in the centre of Ålborg. Name and address will be announced in due time before the training.

Single rooms will be pre booked for all participants. (Expenses not covered by Cephalon)

Sign up, no later than July 1st 2017 by sending attached sign up sheet to:
michael.jensen@cephalon.eu

If you have questions, contact:
michael.jensen@cephalon.eu

As there are a limited number of seats, we are booking by "first come, first served"

Booking is valid when you have received confirmation from us.

Any cancellation will be free of charge until 1/8-17.

1/8 – 1/9 We will invoice 50%.

After 2/9 We will invoice 100%.

All Prices is in Danish Kroner.
